INTRODUCTION TO THE SALE

FOREWORD

On behalf of the entire Archives International Auctions team, it is my pleasure to welcome you to our 117th auction, presented in two sessions on September 30th, 2026. This 535-lot sale spans U.S. and worldwide banknotes, world and U.S. coins, scripophily, historic and security printing ephemera, checks, drafts and exchanges, and Confederate and fractional currency, with strength running deep across nearly every category. As always, a significant number of lots appear at public auction for the first time.

The coin session is anchored by a strong run of U.S. gold, led by a 1908 Saint-Gaudens Double Eagle in CAC MS 63 Uncirculated (Lot 184, Est. \$4,500-6,000) and a 1924 Saint-Gaudens Double Eagle in CAC MS 64 Uncirculated (Lot 187, Est. \$4,500-6,000), alongside a scarcer 1894-S Liberty Head Double Eagle in CAC AU 58 (Lot 183, Est. \$4,500-6,000). Silver highlights include an 1880-CC Morgan Dollar from the GSA Treasure hoard, CAC graded MS 65 (Lot 169, Est. \$1,500-2,500), and a 1903 \$1 McKinley Louisiana Purchase Gold Dollar in PCGS/NGC MS 63 with CAC approval (Lot 162, Est. \$400-450).

On the U.S. paper money side, a \$10 1929 Type 1 National Currency note from the First National Bank of Alexis, Illinois leads the offering (Lot 316, Est. \$7,000-10,000). Large and small type highlights include a Chicago 1934 \$500 Federal Reserve Note in PMG Choice Uncirculated 64 EPQ (Lot 335, Est. \$5,000-7,500), a New York 1934A \$1,000 Federal Reserve Note in PMG Choice Very Fine 35 (Lot 344, Est. \$3,500-5,000), a Richmond 1928 \$500 Federal Reserve Note in PCGS Very Fine 30 (Lot 333, Est. \$3,000-5,000), and an 1882 \$100 Gold Certificate in PCGS Very Fine 20 (Lot 271, Est. \$1,600-3,000). Colonial-era material is represented by a Pennsylvania Continental Currency \$30 note of May 10, 1775 (Lot 193, Est. \$1,750-2,500).

Beyond coins and paper money, the sale offers deep runs of foreign banknotes, historic and security printing ephemera, checks, drafts and exchanges, and U.S. and world scripophily, rounding out a sale with something for nearly every area of the hobby.

Our next auction is currently in planning and will feature additional offerings of banknotes, coins, scripophily, ephemera, and historic bonds and fiscal documents. We are actively accepting consignments for our upcoming sales. We sincerely thank you for your continued interest and support. We hope this sale brings both enjoyment and meaningful additions to your collection.

Best of luck,

Bob Schwartz

KEY TO CATALOGING

DEFINITIONS

SPECIMEN: An archival printing sample of a finished item, such as a stock certificate, banknote or stamp that is printed usually with "000000" serial numbers and may have "Specimen" overprinted on it and be punch canceled to invalidate it and prevent its use surreptitiously. Specimens were kept for a number of reasons, though usually as samples to give out to prospective customers to give them an idea of the type and quality of the work that the printing company was capable of doing. Usually specimens were printed in limited amounts at the beginning of a printing run to evaluate the quality of the printing work and color combinations at an early stage, rather than have an entire production run rejected due to some minor flaw that was not found until after the printing was completed. A specimen is similar to the final product, printed on the same paper and in the same color.

COLOR TRIAL SPECIMENS: Sometimes specimens would be printed in numerous color combinations not used on the final note for evaluation before a final printing. These are usually extremely rare.

PROOF: An initial pull or impression from a plate or die for evaluation of text, vignette, engraving, and esthetic appeal and to check for any errors or faults. These were usually printed on india paper mounted on card or printed on some form of paper or light card. The amount of proofs printed is usually extremely small and usually number only a handful. Proofs allowed the printing company to evaluate the quality of the item being printed without having to go to the expense of making final plates and finding out small errors that could have been repaired at an earlier stage. Usually, proofs are single impressions of banknotes, stamps, vignettes, etc. Anything that was made into a plate, such as a sheet of 100 stamps could have had proof impressions taken from it. These would be called plate proofs (for multiple images) versus die proofs (usually of a single or small amount of images).

COLOR TRIAL PROOF: A proof printed in a color other than the issued color.

ESSAY SPECIMEN or PROOF: A proposed design that was not used but may be similar or even totally different to a final approved design. An artist, engraver or company may have proposed a number of different designs and color combinations to a client for his approval. If a design is rejected and never used, it could be called an essay.

PRODUCTION MATERIAL: Material found in files used in the production of security printed documents, banknotes, stamps and such. It may include correspondence, photographs, artwork, and signature samples, samples of other printed items that are marked up with corrections as well as proofs, specimens, essays, models, mockups and issued final items.

MODEL: A proposed or final design that may include original artwork, pieces of design elements such as borders, titles, vignettes, corporate seals, undertints and possibly portions of photographs. Before an engraved item was made, a design had to be decided on. This portion of the design process allowed for the artistic skills of the engraver or design department to be exhibited. Before the "digital age", banknote engravers and designers would cut up portions of other engraved items and re-apply them in a different form or design to come up with a unique new stamp, banknote or certificate. Often, all new engravings or "vignettes" of people or scenes would be engraved first to include in the new "work of art", and other times, portions of different completed items would be "borrowed" to use on a newly designed item. All models are rare and almost all of them are unique.

This utopian experiment in collective living was formed in 1887 and attracted several hundred adherents to land that the co-operative owned in the Port Angeles area. Members were progressive advocates of labor rights and were, oddly, anti-Chinese due to the Chinese participation in the local labor market. The Panic of 1893 killed both the lumber market and this colony which was finally officially dissolved in 1904. MOSQUITO TERRITORY (HONDURAS)**

- 381 Honduras. Poyais Loan, 1823, £100, I/U Coupon Bond Loan for the Service of the State & Government of Payais.** Mosquito Territory (Honduras), (Issued in Great Britain), 1823. I/U Loan for the Service of the State & Government of Payais, Black print with coupons at left and right of text, Arms of 'Poyais' at top center, S/N F 123, Fine to VF+ condition with holes. This document relates to the Poyais scheme of the 1820s to 1830s involving Gregor MacGregor (1786-1845). MacGregor was a Scottish soldier, adventurer, and self-styled "Cazique of Poyais." In the early 1820s, MacGregor claimed to have been granted authority over this supposedly rich and developed land along the Mosquito Coast (modern-day Honduras/ Nicaragua). He issued bonds, land grants, and promotional materials describing Poyais as a thriving colony with infrastructure, government, and economic opportunity. In reality, Poyais did not exist as described. When settlers arrived, they found undeveloped jungle with no support or governance. The scheme ultimately collapsed, resulting in financial losses and loss of life, and is now regarded as one of the earliest examples of large-scale international investment fraud and speculative mania. Despite arrests in Britain and France, Gregor MacGregor was never successfully convicted and ultimately lived out his later years in Venezuela, largely escaping punishment for one of the 19th century's most infamous financial frauds.  MOSQUITO TERRITORY (HONDURAS),

- 382 Honduras. Poyaisian Land Grant, 1834 Class K Land Grant for 20 Acres, I/U Signed by Sir Gregor MacGregor** Mosquito Territory (Honduras), (Issued in Great Britain), 1834 I/U Poyaisian Land Certificate, Class K, Land Grant for 20 Acres, S/N 202 signed by Gregor MacGregor. Black text in English and French, with elaborate coat of arms depicted at top center, featuring English and Scottish flags. Fine to VF condition with some slight toning and staining, especially along fold lines. General Gregor MacGregor (24 December 1786 to 4 December 1845) was a Scottish soldier, adventurer, and confidence trickster who attempted from 1821 to 1837 to draw British and French investors and settlers to "Poyais", a fictional Central American territory that he claimed to rule as "Cazique". Hundreds invested their savings in supposed Poyaisian government bonds and land certificates, while about 250 emigrated to MacGregor's invented country in 1822-23 to find only an untouched jungle; more than half of them died. MacGregor's Poyais scheme has been called one of the most brazen confidence tricks in history. He devised a tricameral parliament and other convoluted constitutional arrangements for Poyais, drew up commercial and banking mechanisms, and designed distinctive uniforms for each regiment of the Poyaisian Army. His imaginary country had an honours system, landed titles, as well as a coat of arms. A French court tried MacGregor and three others for fraud in 1826 after he attempted a variation on the scheme there, but convicted only one of his associates. Acquitted, MacGregor attempted lesser Poyais schemes in London over the next decade. In 1838, he moved to Venezuela, where he was welcomed back as a hero. He died in Caracas in 1845, aged 58, and was buried with full military honors in Caracas Cathedral. Rare piece of history from an infamous scandal. Est. \$400-600

Black print with no under print. Image at top of three allegorical figures sitting together, and beautiful scroll work at left side. Pin punched Specimen. AU condition. BW&C. Royal Italian Opera Covent Garden Limited (ca. 1882) stands as a bold, high-stakes bid to dominate Victorian London's grand opera scene. Formed around 1881-1882 in the wake of longtime impresario Frederick Gye's death, this joint-stock venture set out to acquire and consolidate London's two rival flagship houses, the Royal Opera House at Covent Garden and Her Majesty's Theatre, under a single commercial banner. Shares were issued in £10 ordinary denominations, with certificates bearing the signature of Prince Victor of Hohenlohe-Langenburg, a nephew of Queen Victoria, lending the enterprise an air of royal prestige. Yet lavish singer fees, mounting overhead, and evolving public tastes proved insurmountable, and the company was wound up by 1885, leaving behind a rare and evocative relic of Gilded Age operatic entrepreneurship. SCRIPHOPIHY - LAND & REAL ESTATE COMPANIES NEW YORK

- 455 NY. Astoria Homestead Co., Long Island City, NY, 1893 Specimen Bond, Historic Bond Issue by the Steinway Family of Piano Fame.** Long Island City, New York, 1893. \$1000 Specimen 6% First Mortgage Gold Coupon Bond, Black text with brown border and undertint, Illustration of a house with stone wall at top center. Red specimen overprints, 000 serial numbers, and POCs. Fine condition with archival reinforcements, ABNC. With William Steinway as its principal shareholder and incorporated in New York State in January 1889, the Astoria Homestead Company, initially capitalized at \$250,000, had as its stated purpose "the purchase of vacant and improved real estate, the erection, sale, renting and leasing of buildings and building sites for the purpose of residence, manufacturing, stores, etc." (notes from the 1889-02-02 meeting). Much of the land purchased by the company was located near the Steinway (Piano) factory (which was established in Astoria beginning in 1873) and in or near the company town called Steinway Village in Long Island City in Queens. William Steinway had long combined investment in real estate and other things with charitable works using the assets of Steinway & Sons. Establishment of the Astoria Homestead Company allowed a separate corporation to attend to these land matters (Steinway still used assets of Steinway & Sons to finance this company). William believed that this vacant and neglected land would soon be more accessible to New York City via new bridges or tunnels projected to be built in the future, and therefore he felt that such land was a good investment opportunity. When established in 1889, the Astoria Homestead Company had authorized capital of \$250,000, of which half was paid in at the start with the remainder being paid in 1890. The company opened bank accounts with Queens County Bank in Long Island City and with Union Square Bank in New York City. In 1893 the capital of the company was increased to \$500,000 which this bond was representative of. Henry Zeigler and Charles W. Steinway are the issuers for the Astoria Homestead Company. Historic New York City and Steinway Piano connection important to the development of Long Island City and Queens New York. Est. **\$500-750**

Republican Institution in the Town of Boston, Massachusetts, 1831, 1/U Stock Certificate Boston, Massachusetts, 1831. 1 Share Common Stock 1/U Certificate, Black print without any border and small State Seal of Pennsylvania at center, Blue ribbon with red seal weaved into left margin, S/N 71, VF condition, True & Green Printers. The Republican Institution in the Town of Boston was incorporated in 1819, it appears that the Institution was formed because, in the language of the subscription paper, it was deemed to be "absolutely necessary that the Republicans of the Town of Boston should be possessed of some respectable building wherein they may meet together to transact their business, and also a place to receive their Brethren from all parts of the Union." The meetings of the Institution were at first held at the "Old Court House," at the "Market Hotel," and at "Davidson's." In March, 1822, a room in the "Merchant Hall" Building was hired, and fitted up. This room is called in the records the "Corporation Room"; and meetings were held there until 1830, when this room was given up. From 1830 until 1840 meetings were held at "Concert Hall"; from 1840 to 1855 at the "Bromfield House"; from 1856 to 1886 at the "Parker House"; and since 1886 they have been held at "Young's Hotel," except that in 1887 the annual meeting was held at the "Tremont House." CONDITIONS OF SALE

THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THESE CONDITIONS OF SALE

BIDDING

1. Unless announced otherwise by the auctioneer, all bids are per lot, as numbered in the printed Catalogue. Archives International Auctions, as agent for the consignor or vendor, shall regulate the bidding and shall determine the manner in which the bidding shall be conducted. Archives International Auctions reserves the right to withdraw any lot prior to sale (without liability to any potential purchaser or agent), to re-offer any withdrawn lot, to divide a lot or to group two or more lots belonging to the same consignor or vendor, and to refuse any bid believed not made in good faith. Estimates of sales prices contained in the printed Catalogue reflect the best judgment of Archives International Auctions and are not minimum or upset prices.
2. (a) Bids shall be made in the steps set forth in paragraph 12.
(b) The highest bid acknowledged by the auctioneer shall prevail. Should a dispute arise between bidders (including a dispute between a floor bidder and the auctioneer acting on behalf of a mail bidder, consignor or vendor), the auctioneer alone shall determine who the successful bidder is and whether to reoffer the lot in dispute. Should a dispute arise after the sale, the auctioneer's sale records shall be conclusive. On all lots sold, a commission of 20%* on the hammer price is payable by the buyer to the auctioneer (*See exceptions on next page for bids on internet).
3. (a) The auctioneer reserves the right to bid on behalf of clients (and consignors or vendors) but shall not be liable for errors and omissions in executing instructions to bid, however received, and whether such errors or omissions be those of the bidder or agent or those of the auctioneer.
(b) Lots may be offered subject to a reserve price. The auctioneer may implement such reserve price by bidding on behalf of the consignor vendor.
(c) It may also be assumed that all consignors have been advanced monies against the sale of their consigned material and Archives International Auctions therefore has a security interest in the consigned material over and above the normal auction commission.
(d) Purchases made by a consignor or vendor or his agent on his own lots shall be considered as a sale subject to commissions and sales tax as applicable.
(e) Agents are responsible for the payment of the purchase price for all purchases made on behalf of their clients, unless other arrangements with the auctioneer have been confirmed in writing prior to the auction.

PAYMENT FOR PURCHASES

4. Payment for lots, including those on which opinions are desired (Condition of Sale 8), shall be as follows:
(a) Floor Bidders. Payment of the purchase price, or such part thereof as Archives International Auctions shall require, shall be made by the purchaser in cash or bank or certified check or in such other manner as Archives International Auctions may determine. The name and address of the purchaser of each lot shall be given to the auctioneer immediately following the sale of such lot.
(b) Mail Bidders. A successful mail bidder will be notified of lots purchased. Before Archives International Auctions will send such lots, payment in full must be received by Archives International Auctions within three (3) business days of receipt of the aforesaid notification by the mail bidder. However, a purchaser known to Archives International Auctions at its option may have purchases delivered or forwarded for immediate payment (by a dollar draft on a U.S. bank in the case of overseas purchasers). Mailed delivery will be to the address on the bid sheet and proof by Archives International Auctions of receipt of a sending at the advised address shall constitute delivery. All charges for handling, delivery and insurance obtained by Archives International Auctions on behalf of the purchaser shall be added to the purchase price; a minimum charge of \$10.00 will be made. Risk of loss in transit shall be on the purchaser.
5. Title shall not pass to the purchaser until full payment has been received by Archives International Auctions as agents for the consignor or vendor.

6. (a) Purchasers agree to pay for lots as specified in Condition of Sale 4 (or as the same may be modified by Condition of Sale 8), and no credit is extended; a late payment charge of 2% per month or fraction thereof shall be added if payment is not made in accordance with the aforesaid conditions.
(b) In the event that a bidder shall fail to comply with these Conditions of Sale ("Non-Complying Bidder"), then, as to any lot with respect to which such failure to comply occurs, Archives International Auctions may, in its sole discretion, re-offer such lot during the same auction or at an auction at a later time, or by private treaty at such time as Archives International Auctions, in its sole discretion, deems appropriate and the Non-Complying Bidder shall be liable for the deficiency, if any, between the hammer price and the net proceeds of a sale to a subsequent purchaser, whether at auction or by private treaty, as well as for all costs and expenses of both sales, all other charges due thereunder, including commissions with respect to both sales, whether payable to Archives International Auctions or to a third party and all incidental damages. It shall be in Archives International Auctions' sole discretion to determine whether to re-offer the lot theretofore hammered-down to a Non-Complying Bidder at the same auction, or by private treaty in due course, or at a subsequent auction conducted by Archives International Auctions. In no event shall any surplus arising from the sale of a re-offered lot be payable to a Non-Complying Bidder.
(c) A defaulting purchaser shall be deemed to have granted Archives International Auctions a security interest in property in Archives International Auctions possession owned by such purchaser. Archives International Auctions shall have all of the rights afforded a purchase money secured party under the New York or New Jersey Uniform Commercial Code with respect to such property and may apply against such obligations all monies held or received by it for the account of, or due from Archives International Auctions to such purchaser. Archives International Auctions is authorized to file a Financing Statement in order to perfect its rights as a secured party.
(d) If Archives International Auctions takes any legal steps to secure payment of a delinquent account, the defaulting purchaser shall be liable for all legal and other expenses incurred by Archives International Auctions to secure such payment, including but not limited to a reasonable allowance for attorneys' fees. For purposes of this paragraph, the term legal steps shall be deemed to include any and all consultation by Archives International Auctions with its attorneys with respect to all matters arising out of a delinquent account.
(e) Unless otherwise acceptable to Archives International Auctions, payment is to be made only in the form of cash, bank check or certified check, credit card (Visa or MasterCard only) or a bank wire transfer.

EXHIBITION AND INSPECTION OF LOTS; QUALITY AND AUTHENTICITY

7. (a) On Premises Inspection only. Ample opportunity is given for on premises inspection prior to the auction date, and, upon written request and at Archives International Auctions discretion.
(b) Each lot is sold as genuine and correctly described, based on individual description as modified by any specific notations in this Catalogue.
(c) Quality. Any lot which a purchaser considers to be incorrectly described may be returned to Archives International Auctions within two weeks of its receipt by such purchaser ("Returning Purchaser"), provided, however, that the same is received by Archives International Auctions within four weeks of the date of the auction; however, Archives International Auctions may, in its discretion, refuse acceptance of such returned lot. If an opinion of a generally recognized authority is desired, the period of time within which a lot must be received by Archives International Auctions will be extended in accordance with Condition of Sale 8. In the event that a dispute cannot be resolved by reference to a generally recognized authority, and Archives International Auctions thereupon undertakes to re-offer the lot with a description identical to the description disputed, the Returning Purchaser shall be liable for the deficiency, if any, between the proceeds of the sale to the Returning Purchaser and the proceeds of a sale to a subsequent purchaser, as well as for all costs and expenses of the re-sale, including commission, and all incidental damages. Any lot, the description of which is disputed, must be returned in-

The following lots are not returnable except at the discretion of Archives International Auctions: (i) lots from purchasers who attended the exhibition of the lots; (ii) lots examined by postal viewers; (iii) lots on account of their appearance, if they are illustrated in this Catalogue; or (iv) lots described as having repairs, defects or faults for any reason.

- (d) Authenticity. Any lot which is declared otherwise than genuine by a generally recognized authority is returnable, provided such lot is received by Archives International Auctions within four weeks of the date of the auction. Proof that a generally recognized authority declines to express an opinion is normally grounds for the return of a lot.
- (e) Expenses incurred a purchaser in the submission and the return of a lot under Conditions of Sale 7 are not subject to refund.

SALES TAX

8. Unless presentation of satisfactory proof that it is exempted by law, a purchaser shall pay to Archives International Auctions New Jersey or New York State and local sales taxes, or any compensating use taxes of any other State claiming jurisdiction. A purchaser shall indemnify Archives International Auctions and hold it harmless of and from any claims of any jurisdiction for sales taxes relating to the purchase of articles at the auction, whenever the same may arise.
