Introduction to the Sale

Foreword

On behalf of the entire Archives International Auctions team, welcome to our 118th auction, held November 17th and 18th. Day 1 is a live auction of 447 lots of U.S. and worldwide banknotes, world coins and medals, ephemera, and checks, drafts and exchanges. Day 2 is a timed online sale of 291 lots of U.S. and world scripophily. As always, many lots appear at public auction for the first time.

The 230-lot foreign banknote section is led by a Croatia 2002 50, 100 and 200 Kuna specimen trio, each at or near the top of the PMG census, including the only graded 100 Kuna, in Superb Gem Unc 67 EPQ. An Anglo-Iranian Oil Co. 25 Dinars scrip note, from the company that became British Petroleum, grades PMG Choice About Unc 58. Also offered are a 1898 Russia 500 Rubles with Peter the Great and 1882 Hawaiian Government specimen bond coupons.

The 101 lots of world coins and medals include an 1894 Canada Large Cent, Thick 4 variety, PCGS MS 63 BN, and a Graf Zeppelin pair: the 1929 Zeppelin and Eckener silver medal, PCGS SP 63, and the 1930 F 5 Reichsmark for the airship's world flight, PCGS AU 58.

U.S. banknotes are led by three Chicago $500 Federal Reserve Notes with William McKinley: two Series 1934 notes in PMG Very Fine 30 and a Series 1934A mule in PCGS Very Fine 25. An 1859 $20,000 Treasury Second of Transfer is signed by Treasury Secretary Howell Cobb, later a founder of the Confederacy.

The ephemera section offers three Poyaisian Land Grants signed by the notorious Sir Gregor MacGregor, and engraved plate printers' union convention albums, one with a G.F.C. Smillie portrait of Woodrow Wilson.

Day 2's scripophily is especially deep in mining and railroads. Highlights include an 1863 Nevada Territory Illinois Gold and Silver Mining Co. certificate and an 1889 Denver, Texas and Fort Worth Railroad certificate signed by Grenville M. Dodge over Sidney Dillon's crossed-out signature. A Grafton and Upton Railroad 1888 specimen bond is one of two found in the ABN Archives, and more than 95 American Caramel Co. certificates, from the maker of early baseball cards, are offered as one lot.

Our next auction is in planning, and we are actively accepting consignments.

Thank you for your continued interest and support. We hope this sale brings enjoyment and meaningful additions to your collection.

Best of luck,

Bob Schwartz

KEY TO CATALOGING

DEFINITIONS

SPECIMEN: An archival printing sample of a finished item, such as a stock certificate, banknote or stamp that is printed usually with "000000" serial numbers and may have "Specimen" overprinted on it and be punch canceled to invalidate it and prevent its use surreptitiously. Specimens were kept for a number of reasons, though usually as samples to give out to prospective customers to give them an idea of the type and quality of the work that the printing company was capable of doing. Usually specimens were printed in limited amounts at the beginning of a printing run to evaluate the quality of the printing work and color combinations at an early stage, rather than have an entire production run rejected due to some minor flaw that was not found until after the printing was completed. A specimen is similar to the final product, printed on the same paper and in the same color.

COLOR TRIAL SPECIMENS: Sometimes specimens would be printed in numerous color combinations not used on the final note for evaluation before a final printing. These are usually extremely rare.

PROOF: An initial pull or impression from a plate or die for evaluation of text, vignette, engraving, and esthetic appeal and to check for any errors or faults. These were usually printed on india paper mounted on card or printed on some form of paper or light card. The amount of proofs printed is usually extremely small and usually number only a handful. Proofs allowed the printing company to evaluate the quality of the item being printed without having to go to the expense of making final plates and finding out small errors that could have been repaired at an earlier stage. Usually, proofs are single impressions of banknotes, stamps, vignettes, etc. Anything that was made into a plate, such as a sheet of 100 stamps could have had proof impressions taken from it. These would be called plate proofs (for multiple images) versus die proofs (usually of a single or small amount of images).

COLOR TRIAL PROOF: A proof printed in a color other than the issued color.

ESSAY SPECIMEN or PROOF: A proposed design that was not used but may be similar or even totally different to a final approved design. An artist, engraver or company may have proposed a number of different designs and color combinations to a client for his approval. If a design is rejected and never used, it could be called an essay.

PRODUCTION MATERIAL: Material found in files used in the production of security printed documents, banknotes, stamps and such. It may include correspondence, photographs, artwork, and signature samples, samples of other printed items that are marked up with corrections as well as proofs, specimens, essays, models, mockups and issued final items.

MODEL: A proposed or final design that may include original artwork, pieces of design elements such as borders, titles, vignettes, corporate seals, undertints and possibly portions of photographs. Before an engraved item was made, a design had to be decided on. This portion of the design process allowed for the artistic skills of the engraver or design department to be exhibited. Before the" digital age", banknote engravers and designers would cut up portions of other engraved items and re-apply them in a different form or design to come up with a unique new stamp, banknote or certificate. Often, all new engravings or "vignettes" of people or scenes would be engraved first to include in the new "work of art", and other times, portions of different completed items would be "borrowed" to use on a newly designed item. All models are rare and almost all of them are unique.

Iran & United Kingdom

163

163 Iran, Anglo Iranian Oil Co. Ltd., (Renamed British Petroleum in 1954) ND (ca.1935-54) Issued Scrip Note. Iran and United Kingdom. Anglo Iranian Oil Co. Ltd., ND (ca.1935-54) Issued Scrip Note, 25 Dinars, P-Unlisted, Black printing on light turquoise paper, blank back, PMG graded Choice About Unc. 58. The Anglo-Iranian Oil Company (formerly the Anglo-Persian Oil Company and currently BP) had been drilling for oil in Iran since 1913. In 1908, a British venture capitalist discovered oil in southern Iran. Throughout the early 20th century, the ruling Pahlavi government made various concessions with the British that gave the UK control over certain elements in the Iranian economy. In 1951, Iran began the nationalization of their oil industry. On 26 May 1951, the UK took Iran to the ICJ, demanding that the 1933 agreement be upheld and that Iran pay damages and compensation for disrupting the UK-incorporated company's profits. Iran ignored the ruling. Despite the outcome of the case, the British government was determined to both reclaim control of Iran's oil fields and signal to other countries that nationalization efforts would lead to retaliation. Along with the United States government, it began an oil boycott against Iran as a means of cutting off petroleum profits and weakening the Iranian government. The value of the rial fell by 45%. Following this, the UK's intelligence service, MI6 requested assistance from the United States' newly-formed Central Intelligence Agency (CIA) to overthrow Mosaddeq. What followed was a series of disruptions and eventually Mosaddeq was overthrown in a coup in August 1953 with Mohammad Reza Shah returning to Iran. Rare and historic oil industry fiscal document. ..... Est. **$450-750**

EPHEMERA - HISTORIC SCANDALS & SCAMS
Honduras (Mosquito Territory)

390

390 Honduras. Poyaisian Land Grant, 1834, Class F Grant for 200 Acres, I/U Signed by Sir Gregor MacGregor. Mosquito Territory (Honduras), 1834. 200 Acres, I/U, Class F Poyaisian Land Grant, S/N 609, signed by Gregor MacGregor. Black text in English and French, with elaborate coat of arms depicted at top center, featuring English and Scottish flags, faint watermarks at top. VF to XF condition with some toning, splitting, and holes along fold lines. General Gregor MacGregor (24 December 1786 to 4 December 1845) was a Scottish soldier, adventurer, and confidence trickster who attempted from 1821 to 1837 to draw British and French investors and settlers to "Poyais", a fictional Central American territory that he claimed to rule as "Cazique". Hundreds invested their savings in supposed Poyaisian government bonds and land certificates, while about 250 emigrated to MacGregor's invented country in 1822–23 to find only an untouched jungle; more than half of them died. MacGregor's Poyais scheme has been called one of the most brazen confidence tricks in history. He devised a tricameral parliament and other convoluted constitutional arrangements for Poyais, drew up commercial and banking mechanisms, and designed distinctive uniforms for each regiment of the Poyaisian Army. His imaginary country had an honours system, landed titles, as well as a coat of arms. A French court tried MacGregor and three others for fraud in 1826 after he attempted a variation on the scheme there, but convicted only one of his associates. Acquitted, MacGregor attempted lesser Poyais schemes in London over the next decade. In 1838, he moved to Venezuela, where he was welcomed back as a hero. He died in Caracas in 1845, aged 58, and was buried with full military honors in Caracas Cathedral. Fascinating piece of history from a famous con man..... Est. **$400-600**

EPHEMERA - SOUTHERN & CIVIL WAR RELATED
Louisiana

394

394 LA. Group Lot of New Orleans Bank Checks, 1861 Business Correspondence, and Manuscript Exposition Song Lyrics Louisiana...., Lot of 2 items. Includes a partially-used checkbook leaf from the Bank of America, New Orleans (printed by Paulin Durel, 37 Chartres St.), comprising three check forms; one is completed and dated July 27, 1868, with payee and amount partly obscured by a period ink stain and signed, apparently, "M. Gonzalez," the remaining two checks unused. The verso bears manuscript pencil lyrics titled "Louisiana Day," describing a visitor's tour of a New Orleans exposition — cotton-spinning machinery, a military band, and a whirlwind "visit" to Texas, California, and Kentucky before returning to Louisiana to "celebrate her day"; the exposition imagery is consistent with New Orleans's 1884–85 World's Industrial and Cotton Centennial Exposition, suggesting the lyrics may be a later pencil addition to the blank check leaf rather than contemporary with it. Also included is an autograph letter signed by S. Murdoch, dated October 2, 1861, to a Mr. Shriver, returning $10.00 of an advance and discussing due-bills owed to seamstresses for piecework, noting illness in their families had slowed the work, with the balance not to exceed $44.87½; a period tally of accounts appears on its reverse. Fine to VF. (2) Est. **$140-200**

EPHEMERA - TEXAS 1850'S LAND GRANT
Texas

399

399 Texas Land Grant, ca. 1850s Signed by Governor Elisha M. Pease Texas, ca. 1850s. Issued Land Grant signed by Texas Governor Elisha M. Pease, Partially printed with very faded handwriting that is difficult to read, Embossed seal at bottom left, the date of ca. 1840s at bottom right appears to have been written over, likely with a date from the 1850s. The writing likely describes and outlines the parameters of the land being granted by the Governor. VG condition with damage at center fold lines, toning, and staining. Elisha Marshall Pease (January 3, 1812 - August 26, 1883) served as the fifth and 13th governor of Texas. A native of Enfield, Connecticut, Pease moved to Mexican Texas in 1835. He soon became active in the Texas independence movement and after the Texas Revolution began, Pease became the secretary of the provisional government. Following the annexation of Texas to the United States, Pease was elected to the Texas House of Representatives in 1845 and reelected in 1847. In 1849, he ran for the Texas Senate from District 11 (Brazoria and Galveston counties) but lost to John B. Jones who was sworn in on November 5, 1849. Pease contested the election, was declared the winner, and was sworn in four days later on November 9, 1849. Pease was elected governor in 1853 and 1855. During the American Civil War, Pease sided with the Union but kept ten enslaved people at Pease's Austin plantation in 1860. After the war, he became a leader in the state Republican Party and was appointed as the civilian governor of Texas in 1867 by General Philip H. Sheridan, who was the military head of the Reconstruction government. Interesting piece of Texas history. ..... Est. **$180-250**

Beach Haven, Luzerne Co., Pennsylvania, 1878. 1 Share I/U Stock Certificate, Black print with simple black border and company title at top center, Fine to VF condition with water stains at top. Early Ferry company. Salem Rope or Wire Ferry Co., chartered in 1878 in Pennsylvania, operated a cable-guided rope or wire ferry, a common and economical means of crossing rivers before the era of widespread bridge-building. Such ferries used cables anchored on both banks to guide flat-bottomed boats carrying passengers, wagons, and livestock across the water, replacing slower, oar-powered crossings. Modest local enterprises like this one served small river communities well into the late 19th century, until railroads, bridges, and improved roads gradually rendered them obsolete. ..... The Apache Railway Company, a corporation organized and existing under the laws of the State of Arizona (hereinafter called the Company), for value received, hereby promises to pay to Southwest Lumber Mills, Inc., a corporation organized and existing under the laws of the State of Nevada, or assigns, on the First day of December, 1957, the sum of

ONE THOUSAND DOLLARS

lawful money of the United States of America, at the Principal Office of the Company at McNary, Apache County, Arizona, with interest thereon in the meantime at a rate not greater than Five Per Cent (5%) for each calendar year, payable quarterly on the last days of January, April, July and October in each year, from the net income and revenue of the Company, for the three months' period ending the last day of the calendar month preceding such payment, only as ascertained and declared by its Board of Directors in accordance with the provisions of a certain mortgage and deed of trust, hereinafter referred to as the Indenture, to be applicable to said interest payments, such interest payments to cease for the balance of any calendar year when an amount equal to five per cent (5%) has been paid in interest for such year. The amount of interest payable on the last day of January, 1938, shall be ascertained and declared by the Board of Directors only from the net income and revenue of the Company from the date of this bond to and including the 31st day of December, 1937, such interest not to exceed the rate of five per cent (5%) per annum for the portion of such calendar year of 1937 that such bond is outstanding. The interest on this bond shall not be cumulative from year to year, and no part thereof not paid in any one calendar year from the income of that year shall be a charge upon or be paid from the income of any other calendar year. It shall be paid without deduction for any income or other tax unless the Company or Trustee under the Indenture may be required to deduct the same under any present or future law.

This bond is one of a duly authorized issue of Bonds of the Company, all of like date and tenor, known as its Refunding First Mortgage 5% Income Bonds, limited to an aggregate principal amount of Nine Hundred Thousand Dollars ($900,000.00), in denominations of One Thousand Dollars ($1,000.00) each, and issued under and all equally and ratably secured by said Indenture executed and delivered by the Company to James G. McNary, as Trustee, dated as of the First day of December, 1937, to which Indenture reference is hereby made for a description of the property thereby mortgaged, the nature and extent of the security, and a statement of the rights of the holders of such bonds and of the Trustee with respect to such security.

This bond is redeemable at any interest period upon payment of the principal hereof and the ascertained and declared interest hereon including interest ascertained and declared for the preceding quarter, if any, upon thirty days' prior notice mailed first class, postage prepaid, to the registered holder hereof, at the address of such registered holder as it may appear on the bond transfer register.

From and after the date of redemption, interest on bonds called for redemption shall cease unless default shall be made in the redemption of such bonds on presentation.

In case an event of default, as defined in the Indenture, shall occur, the principal of all the bonds issued thereunder and outstanding may be declared due and payable in the manner provided in the Indenture.

No recourse shall be had for the payment of the principal of or the interest on this bond, or for any claim based hereon or otherwise in respect hereof, or arising from the Indenture, against any incorporator or against any past, present or future stockholder, director or officer of the Company, as such, or of any predecessor or successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty; all such liability being by the acceptance hereof and as part of the consideration of the issue hereof, expressly waived and released by every holder hereof.

This bond is transferable by the registered holder hereof in person or by attorney, duly authorized, on the books of the Company to be kept for that purpose by the Trustee at the office of the Company in McNary, Apache County, Arizona, such registration to be noted hereon.

Installments of interest shall be paid by check mailed to the registered holder of this bond at the address of such registered holder as appears on the bond transfer register.

This bond shall not be valid or become obligatory for any purpose unless and until the certificate endorsed hereon shall have been executed by the Trustee under the Indenture.

In Witness Whereof, The Apache Railway Company has caused this bond to be signed in its name by its President or a Vice-President, and its corporate seal to be hereunto affixed and attested by its Secretary or an Assistant Secretary, as of the First day of December, 1937.

Certificates all have Specimen overprints and POCs, and are in VF to XF condition. FL-ABNC. (5). Charles Bruning Co., Inc., a Delaware-chartered corporation, traces its origins to Danish immigrant Charles Bruning (1866–1931), who set up his own blueprinting company in Manhattan in 1897, which was incorporated as the New York Blue Print Paper Company in 1901. Around 1920 he purchased the American Blue Print Company of Chicago, and the combined firms became known as the Charles Bruning Company, Inc. Growth accelerated in the late 1920s after the firm introduced diazotype printing to the U.S., the chemical process that let whiteprints largely replace traditional blueprints for architectural and engineering drawings. Through the 1950s and 1960s, Bruning stood among America's leading suppliers of reprographic equipment, drafting instruments, and specialty paper, before merging into Addressograph-Multigraph in 1963. ..... East Rockaway Improvement Co., incorporated in New York in 1913, reflects the wave of local development corporations that sprang up on Long Island's South Shore in the early 20th century. East Rockaway, a village in Nassau County incorporated in 1900, was, by the 1910s, drawing steady residential and commercial growth as Long Island Rail Road service and improving roads made the area increasingly accessible from New York City. Companies bearing names like "Improvement Co." typically financed local infrastructure, subdivided building lots, or developed waterfront and village properties. Signed by Martin Joseph as president, this certificate stands as a tangible relic of the small-scale civic and real estate enterprise that shaped Long Island's growing suburban communities. ..... CONDITIONS OF SALE

THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THESE CONDITIONS OF SALE

BIDDING

1. Unless announced otherwise by the auctioneer, all bids are per lot, as numbered in the printed Catalogue. Archives International Auctions, as agent for the consignor or vendor, shall regulate the bidding and shall determine the manner in which the bidding shall be conducted. Archives International Auctions reserves the right to withdraw any lot prior to sale (without liability to any potential purchaser or agent), to re-offer any withdrawn lot, to divide a lot or to group two or more lots belonging to the same consignor or vendor, and to refuse any bid believed not made in good faith. Estimates of sales prices contained in the printed Catalogue reflect the best judgment of Archives International Auctions and are not minimum or upset prices.

2. (a) Bids shall be made in the steps set forth in paragraph 12.

   (b) The highest bid acknowledged by the auctioneer shall prevail. Should a dispute arise between bidders (including a dispute be tween a floor bidder and the auctioneer acting on behalf of a mail bidder, consignor or vendor), the auctioneer alone shall determine who the successful bidder is and whether to reoffer the lot in dispute. Should a dispute arise after the sale, the auction eer's sale records shall be conclusive. On all lots sold, a commission of 20%* on the hammer price is payable by the buyer to the auctioneer (*See exceptions on next page for bids on internet).

3. (a) The auctioneer reserves the right to bid on behalf of clients (and consignors or vendors) but shall not be liable for errors and omissions in executing instructions to bid, however received, and whether such errors or omissions be those of the bidder or agent or those of the auctioneer.

   (b) Lots may be offered subject to a reserve price. The auctioneer may implement such reserve price by bidding on behalf of the consignor vendor.

   (c) It may also be assumed that all consignors have been advanced monies against the sale of their consigned material and Archives International Auctions therefore has a security interest in the consigned material over and above the normal auction commission.

   (d) Purchases made by a consignor or vendor or his agent on his own lots shall be considered as a sale subject to commissions and sales tax as applicable.

   (e) Agents are responsible for the payment of the purchase price for all purchases made on behalf of their clients, unless other arrangements with the auctioneer have been confirmed in writing prior to the auction.

PAYMENT FOR PURCHASES

4. Payment for lots, including those on which opinions are desired (Con dition of Sale 8), shall be as follows:

   (a) Floor Bidders. Payment of the purchase price, or such part there of as Archives International Auctions shall require, shall be made by the purchaser in cash or bank or certified check or in such other manner as Archives International Auctions may determine. The name and address of the purchaser of each lot shall be given to the auctioneer immediately following the sale of such lot.

   (b) Mail Bidders. A successful mail bidder will be notified of lots purchased. Before Archives International Auctions will send such lots, payment in full must be received by Archives International Auctions within three (3) business days of receipt of the aforesaid notification by the mail bidder. However, a purchaser known to Archives International Auctions at its option may have purchases delivered or forwarded for immediate payment (by a dollar draft on a U.S. bank in the case of overseas purchasers). Mailed delivery will be to the address on the bid sheet and proof by Archives International Auctions of receipt of a sending at the advised address shall constitute delivery. All charges for handling, delivery and insurance obtained by Archives International Auctions on behalf of the purchaser shall be added to the purchase price; a minimum charge of $10.00 will be made. Risk of loss in transit shall be on the purchaser.

5. Title shall not pass to the purchaser until full payment has been received by Archives International Auctions as agents for the consignor or vendor.

6. (a) Purchasers agree to pay for lots as specified in Condition of Sale 4 (or as the same may be modified by Condition of Sale 8), and no credit is extended; a late payment charge of 2% per month or fraction thereof shall be added if payment is not made in accordance with the aforesaid conditions.

   (b) In the event that a bidder shall fail to comply with these Conditions of Sale ("Non-Complying Bidder"), then, as to any lot with respect to which such failure to comply occurs, Archives International Auctions may, in its sole discretion, re-offer such lot during the same auction or at an auction at a later time, or by private treaty at such time as Archives International Auctions, in its sole discretion, deems appropriate and the Non-Complying Bidder shall be liable for the deficiency, if any, between the hammer price and the net proceeds of a sale to a subsequent purchaser, whether at auction or by private treaty, as well as for all costs and expenses of both sales, all other charges due thereunder, including commissions with respect to both sales, whether payable to Archives International Auctions or to a third party and all incidental damages. It shall be in Archives International Auctions' sole discretion to determine whether to re-offer the lot theretofore hammered-down to a Non-Complying Bidder at the same auction, or by private treaty in due course, or at a subsequent auction conducted by Archives International Auctions. In no event shall any surplus arising from the sale of a re-offered lot be payable to a Non-Complying Bidder.

   (c) A defaulting purchaser shall be deemed to have granted Archives International Auctions a security interest in property in Archives International Auctions possession owned by such purchaser. Archives International Auctions shall have all of the rights afforded a purchase money secured party under the New York or New Jersey Uniform Commercial Code with respect to such property and may apply against such obligations all monies held or received by it for the account of, or due from Archives International Auctions to such purchaser. Archives International Auctions is authorized to file a Financing Statement in order to perfect its rights as a secured party.

   (d) If Archives International Auctions takes any legal steps to secure payment of a delinquent account, the defaulting purchaser shall be liable for all legal and other expenses incurred by Archives International Auctions to secure such payment, including but not limited to a reasonable allowance for attorneys' fees. For purposes of this paragraph, the term legal steps shall be deemed to include any and all consultation by Archives International Auctions with its attorneys with respect to all matters arising out of a delinquent account.

   (e) Unless otherwise acceptable to Archives International Auctions, payment is to be made only in the form of cash, bank check or certified check, credit card (Visa or MasterCard only) or a bank wire transfer.

EXHIBITION AND INSPECTION OF LOTS; QUALITY AND AUTHENTICITY

7. (a) On Premises Inspection only. Ample opportunity is given for on premises inspection prior to the auction date, and, upon written request and at Archives International Auctions discretion.

   (b) Each lot is sold as genuine and correctly described, based on individual description as modified by any specific notations in this Catalogue.

   (c) Quality. Any lot which a purchaser considers to be incorrectly described may be returned to Archives International Auctions within two weeks of its receipt by such purchaser ("Returning Purchaser"), provided, however, that the same is received by Archives International Auctions within four weeks of the date of the auction; however, Archives International Auctions may, in its discretion, refuse acceptance of such returned lot. If an opinion of a generally recognized authority is desired, the period of time within which a lot must be received by Archives International Auctions will be extended in accordance with Condition of Sale 8. In the event that a dispute cannot be resolved by reference to a generally recognized authority, and Archives International Auctions thereupon undertakes to re-offer the lot with a description identical to thedescription disputed, the Returning Purchaser shall be liable for the deficiency, if any, between the proceeds of the sale to the Returning Purchaser and the proceeds of a sale to a subsequent purchaser, as well as for all costs and expenses of the re-sale, including commission, and all incidental damages. Any lot, the description of which is disputed, must be returned in-

8. Unless presentation of satisfactory proof that it is exempted by law, a purchaser shall pay to Archives International Auctions New Jersey or New York State and local sales taxes, or any compensating use taxes of any other State claiming jurisdiction.
