## KEY TO CATALOGING

### DEFINITIONS

**SPECIMEN:** An archival printing sample of a finished item, such as a stock certificate, banknote or stamp that is printed usually with "000000" serial numbers and may have "Specimen" overprinted on it and be punch canceled to invalidate it and prevent its use surreptitiously. Specimens were kept for a number of reasons, though usually as samples to give out to prospective customers to give them an idea of the type and quality of the work that the printing company was capable of doing. Usually specimens were printed in limited amounts at the beginning of a printing run to evaluate the quality of the printing work and color combinations at an early stage, rather than have an entire production run rejected due to some minor flaw that was not found until after the printing was completed. A specimen is similar to the final product, printed on the same paper and in the same color.

**COLOR TRIAL SPECIMENS:** Sometimes specimens would be printed in numerous color combinations not used on the final note for evaluation before a final printing. These are usually extremely rare.

**PROOF:** An initial pull or impression from a plate or die for evaluation of text, vignette, engraving, and esthetic appeal and to check for any errors or faults. These were usually printed on india paper mounted on card or printed on some form of paper or light card. The amount of proofs printed is usually extremely small and usually number only a handful. Proofs allowed the printing company to evaluate the quality of the item being printed without having to go to the expense of making final plates and finding out small errors that could have been repaired at an earlier stage. Usually, proofs are single impressions of banknotes, stamps, vignettes, etc. Anything that was made into a plate, such as a sheet of 100 stamps could have had proof impressions taken from it. These would be called plate proofs (for multiple images) versus die proofs (usually of a single or small amount of images).

**COLOR TRIAL PROOF:** A proof printed in a color other than the issued color.

**ESSAY SPECIMEN or PROOF:** A proposed design that was not used but may be similar or even totally different to a final approved design. An artist, engraver or company may have proposed a number of different designs and color combinations to a client for his approval. If a design is rejected and never used, it could be called an essay.

**PRODUCTION MATERIAL:** Material found in files used in the production of security printed documents, banknotes, stamps and such. It may include correspondence, photographs, artwork, and signature samples, samples of other printed items that are marked up with corrections as well as proofs, specimens, essays, models, mockups and issued final items.

**MODEL:** A proposed or final design that may include original artwork, pieces of design elements such as borders, titles, vignettes, corporate seals, undertints and possibly portions of photographs. Before an engraved item was made, a design had to be decided on. This portion of the design process allowed for the artistic skills of the engraver or design department to be exhibited. Before the "digital age", banknote engravers and designers would cut up portions of other engraved items and re-apply them in a different form or design to come up with a unique new stamp, banknote or certificate. Often, all new engravings or "vignettes" of people or scenes would be engraved first to include in the new "work of art", and other times, portions of different completed items would be "borrowed" to use on a newly designed item. All models are rare and almost all of them are unique.

Description Abbreviations I/C = Issued and Cancelled; I/U = Issued and Uncanceled; POC's = Punched out cancels

U.S. COLONIAL BANKNOTES & FISCAL DOCUMENTS CONNECTICUT

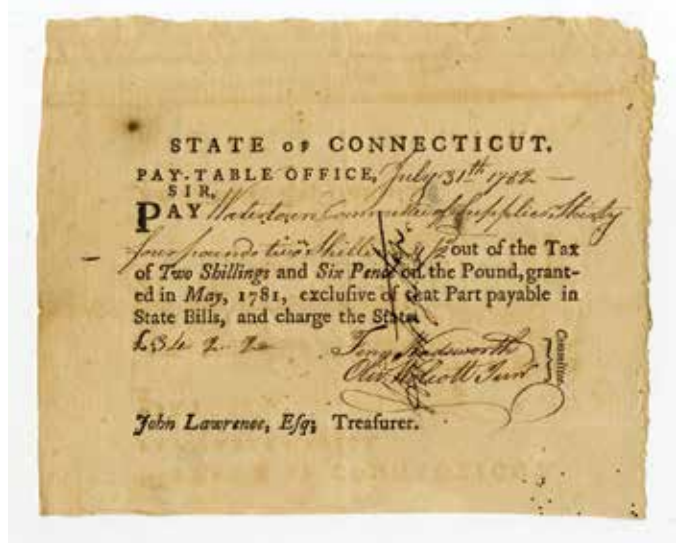

1148

1148 State of Connecticut, 1781 Pay-Table Office, Lot of 3 Tax Warrants Hartford, Connecticut, 1781. Lot of 3 Tax Warrants Issued by the Pay-Table Office in Hartford, all dated December 26th: 5 Pounds; 15 Shillings; and 7 Pounds. All with Black text and handwriting and signed by Pay-Table members Fenn Wadsworth, William Moseley, with Ralph Pomeroy's signature on back. The Pay-Table (also known as the Committee of Four) managed Connecticut's military finances during the Revolutionary War. Its members rotated during the lengthy confrontation with England. Financing the Revolution laid a heavy burden upon each colony, especially those which balked at levying taxes. In order to meet immediate needs, such as wages, the colonies relied upon wealthy revolutionists, foreign loans, and taxes and gifts from abroad. Issuing notes such as these was only a temporary solution. Fenn Wadsworth (1750/51-1785) was a brigade major to General James Wadsworth from 1776 to 1779. He fought in many battles during that time, but his failing health forced him to leave active service. Wadsworth stayed in Connecticut's government, as shown by his membership to the Pay-Table Committee. William Moseley (1755-1824) later would serve in the Connecticut state senate. He was also the Director of the Hartford National Bank from 1797 to 1815. Ralph Pomeroy (1737- 1819) was a paymaster in the Continental Army. He remained involved in state politics, acting as State Controller after the war. All are in Fine condition with some light toning. (3) ..... Est. \$140-280

**1174**

**"The Jew's House" Reprint by Artist Marjorie C. Bates (1882-1962)**  
 Lincoln, England..... The Jew's House is one of the earliest extant town houses in England. It is situated on Steep Hill in Lincoln, immediately below Jew's Court. The house has traditionally been associated with the thriving Jewish community in Medieval Lincoln. Antisemitic hysteria was stoked by a notorious 1255 blood libel alleging that the mysterious death of a Christian child, known as Little Saint Hugh of Lincoln, was the result of him being kidnapped and ritually killed by Jews. In 1290, the entire Jewish community was expelled from England by Edward I, and the Jew's House is said to have been seized from a Jewish owner. The building has remained continuously occupied to the present day. Since about 1973 it has been used as a restaurant; prior to that it had been an antiques shop for many years. Marjorie Christine Bates R.A. (1882-1962) was born in Kings Newton, near Melbourne, Derbyshire. She was a painter who exhibited at the Royal Academy in London and Paris and achieved a moderate living from her paintings. .... Est. \$5-10

Illustrated Broadsheet detailing traveling circus act which includes over 500 people, artist, and performers including the Famous Stickney Family of Acrobats, a lion tamer, a Wild West show, and more. Sheet has wonderful illustrations and is double sided. The Rhoda Royal Circus of 1919-22 was one of several new circuses that cropped up in the immediate period following World War I. It was designed to take advantage of the good times and prosperity of the country caused by the accelerated war time economy and the amusement hungry populace which after a year and a half of war and its necessary restrictions on circuses and other amusements were now anxious to live it up again. Like others of its kind the Rhoda Royal Circus started off with a bang, made a pot full of money right away, enlarged, and was on its way to prosperity but was soon caught in the middle of the sharp 1921 recession which quickly whittled away the earlier profits and made the show a candidate for bankruptcy a few days after the start of the 1922 season. The big Rhoda Royal Two-Ring Circus and Buffalo Bill Pawnee Bill Wild West Show performed together annually in Kansas City, Missouri. .... Est. \$60-120

**1254 Equity Funding Corp. of America, 1970-80's Specimen Stock Certificate Historic Insurance Scandal and Fraud.** Delaware, ND (1980-1990s). >100 Shares Specimen Stock Certificate, Black text with green border and underprint, Allegorical woman with wires and globe at top center. Red specimen overprints and POCs. VF condition, SCBN. Equity Funding Corporation of America was a Los Angeles-based U.S. financial conglomerate that marketed a package of mutual funds and life insurance to private individuals in the 1960s and 70s. It collapsed in scandal in 1973 after ex-employee Ronald Secrist and securities analyst Ray Dirks blew the whistle on massive accounting fraud, including a computer system dedicated exclusively to creating and maintaining fictitious insurance policies. Investigation found that from 1964 onward, as many as 100 company employees had engaged in organized deception of investors, auditors, reinsurers and regulatory authorities. The company created more than 60,000 bogus life insurance policies that it sold to reinsurance companies for a fee. In order to pay the premiums on the policies, Equity Funding created additional bogus policies that they would also sell. Sometimes they would claim the bogus policyholder died and then receive the death benefits from the reinsurance company. An important sidelight was the filing of insider trading charges against whistleblower Dirks. The ensuing case of Raymond L. Dirks v. Securities and Exchange Commission went all the way to the U.S. Supreme Court where Dirks was finally acquitted. The case has been termed historic in helping to define insider trading, as well as the treatment of whistleblowers, analysts and the press. Est. \$120-240

## CONDITIONS OF SALE

### THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THESE CONDITIONS OF SALE

#### BIDDING

1. Unless announced otherwise by the auctioneer, all bids are per lot, as numbered in the printed Catalogue. Archives International Auctions, as agent for the consignor or vendor, shall regulate the bidding and shall determine the manner in which the bidding shall be conducted. Archives International Auctions reserves the right to withdraw any lot prior to sale (without liability to any potential purchaser or agent), to re-offer any withdrawn lot, to divide a lot or to group two or more lots belonging to the same consignor or vendor, and to refuse any bid believed not made in good faith. Estimates of sales prices contained in the printed Catalogue reflect the best judgment of Archives International Auctions and are not minimum or upset prices.
2. (a) Bids shall be made in the steps set forth in paragraph 12.  
(b) The highest bid acknowledged by the auctioneer shall prevail. Should a dispute arise between bidders (including a dispute between a floor bidder and the auctioneer acting on behalf of a mail bidder, consignor or vendor), the auctioneer alone shall determine who the successful bidder is and whether to reoffer the lot in dispute. Should a dispute arise after the sale, the auctioneer's sale records shall be conclusive. On all lots sold, a commission of 20%\* on the hammer price is payable by the buyer to the auctioneer (\*See exceptions on next page for bids on internet).
3. (a) The auctioneer reserves the right to bid on behalf of clients (and consignors or vendors) but shall not be liable for errors and omissions in executing instructions to bid, however received, and whether such errors or omissions be those of the bidder or agent or those of the auctioneer.  
(b) Lots may be offered subject to a reserve price. The auctioneer may implement such reserve price by bidding on behalf of the consignor vendor.  
(c) It may also be assumed that all consignors have been advanced monies against the sale of their consigned material and Archives International Auctions therefore has a security interest in the consigned material over and above the normal auction commission.  
(d) Purchases made by a consignor or vendor or his agent on his own lots shall be considered as a sale subject to commissions and sales tax as applicable.  
(e) Agents are responsible for the payment of the purchase price for all purchases made on behalf of their clients, unless other arrangements with the auctioneer have been confirmed in writing prior to the auction.

#### PAYMENT FOR PURCHASES

4. Payment for lots, including those on which opinions are desired (Condition of Sale 8), shall be as follows:
  - (a) Floor Bidders. Payment of the purchase price, or such part thereof as Archives International Auctions shall require, shall be made by the purchaser in cash or bank or certified check or in such other manner as Archives International Auctions may determine. The name and address of the purchaser of each lot shall be given to the auctioneer immediately following the sale of such lot.
  - (b) Mail Bidders. A successful mail bidder will be notified of lots purchased. Before Archives International Auctions will send such lots, payment in full must be received by Archives International Auctions within three (3) business days of receipt of the aforesaid notification by the mail bidder. However, a purchaser known to Archives International Auctions at its option may have purchases delivered or forwarded for immediate payment (by a dollar draft on a U.S. bank in the case of overseas purchasers). Mailed delivery will be to the address on the bid sheet and proof by Archives International Auctions of receipt of a sending at the advised address shall constitute delivery. All charges for handling, delivery and insurance obtained by Archives International Auctions on behalf of the purchaser shall be added to the purchase price; a minimum charge of \$10.00 will be made. Risk of loss in transit shall be on the purchaser.
5. Title shall not pass to the purchaser until full payment has been received by Archives International Auctions as agents for the consignor or vendor.

6. (a) Purchasers agree to pay for lots as specified in Condition of Sale 4 (or as the same may be modified by Condition of Sale 8), and no credit is extended; a late payment charge of 2% per month or fraction thereof shall be added if payment is not made in accordance with the aforesaid conditions.  
(b) In the event that a bidder shall fail to comply with these Conditions of Sale ("Non-Complying Bidder"), then, as to any lot with respect to which such failure to comply occurs, Archives International Auctions may, in its sole discretion, re-offer such lot during the same auction or at an auction at a later time, or by private treaty at such time as Archives International Auctions, in its sole discretion, deems appropriate and the Non-Complying Bidder shall be liable for the deficiency, if any, between the hammer price and the net proceeds of a sale to a subsequent purchaser, whether at auction or by private treaty, as well as for all costs and expenses of both sales, all other charges due thereunder, including commissions with respect to both sales, whether payable to Archives International Auctions or to a third party and all incidental damages. It shall be in Archives International Auctions' sole discretion to determine whether to re-offer the lot theretofore hammered-down to a Non-Complying Bidder at the same auction, or by private treaty in due course, or at a subsequent auction conducted by Archives International Auctions. In no event shall any surplus arising from the sale of a re-offered lot be payable to a Non-Complying Bidder.  
(c) A defaulting purchaser shall be deemed to have granted Archives International Auctions a security interest in property in Archives International Auctions possession owned by such purchaser. Archives International Auctions shall have all of the rights afforded a purchase money secured party under the New York or New Jersey Uniform Commercial Code with respect to such property and may apply against such obligations all monies held or received by it for the account of, or due from Archives International Auctions to such purchaser. Archives International Auctions is authorized to file a Financing Statement in order to perfect its rights as a secured party.  
(d) If Archives International Auctions takes any legal steps to secure payment of a delinquent account, the defaulting purchaser shall be liable for all legal and other expenses incurred by Archives International Auctions to secure such payment, including but not limited to a reasonable allowance for attorneys' fees. For purposes of this paragraph, the term legal steps shall be deemed to include any and all consultation by Archives International Auctions with its attorneys with respect to all matters arising out of a delinquent account.  
(e) Unless otherwise acceptable to Archives International Auctions, payment is to be made only in the form of cash, bank check or certified check, credit card (Visa or MasterCard only) or a bank wire transfer.

#### EXHIBITION AND INSPECTION OF LOTS; QUALITY AND AUTHENTICITY

7. (a) On Premises Inspection only. Ample opportunity is given for on premises inspection prior to the auction date, and, upon written request and at Archives International Auctions discretion.  
(b) Each lot is sold as genuine and correctly described, based on individual description as modified by any specific notations in this Catalogue.  
(c) Quality. Any lot which a purchaser considers to be incorrectly described may be returned to Archives International Auctions within two weeks of its receipt by such purchaser ("Returning Purchaser"), provided, however, that the same is received by Archives International Auctions within four weeks of the date of the auction; however, Archives International Auctions may, in its discretion, refuse acceptance of such returned lot. If an opinion of a generally recognized authority is desired, the period of time within which a lot must be received by Archives International Auctions will be extended in accordance with Condition of Sale 8. In the event that a dispute cannot be resolved by reference to a generally recognized authority, and Archives International Auctions thereupon undertakes to re-offer the lot with a description identical to the description disputed, the Returning Purchaser shall be liable for the deficiency, if any, between the proceeds of the sale to the Returning Purchaser and the proceeds of a sale to a subsequent purchaser, as well as for all costs and expenses of the re-sale, including commission, and all incidental damages. Any lot, the description of which is disputed, must be returned in-

- (d) Authenticity. Any lot which is declared otherwise than genuine by a generally recognized authority is returnable, provided such lot is received by Archives International Auctions within four weeks of the date of the auction. Proof that a generally recognized authority declines to express an opinion is normally grounds for the return of a lot.
- (e) Expenses incurred a purchaser in the submission and the return of a lot under Conditions of Sale 7 are not subject to refund.

#### SALES TAX

8. Unless presentation of satisfactory proof that it is exempted by law, a purchaser shall pay to Archives International Auctions New Jersey or New York State and local sales taxes, or any compensating use taxes of any other State claiming jurisdiction. A purchaser shall indemnify Archives International Auctions and hold it harmless of and from any claims of any jurisdiction for sales taxes relating to the purchase of articles at the auction, whenever the same may arise.
